Career Objective

Passionate and driven Data Science student with a strong interest in Artificial Intelligence and Machine Learning. Eager to apply analytical, programming, and model-building skills in realworld projects. Seeking an entry-level opportunity in a forward-thinking organization where I can contribute to impactful AI/ML solutions, grow through continuous learning, and be part of a team that values innovation and data-driven decision making.

Education

Bachelor of Technology (B.Tech) in Computer Science – Data Science

Vardhaman College of Engineering, Shamshabad

Batch: 2024 – 2027

CGPA: 7.92/ 10.0

Diploma in Computer Science

Khatriya college of engineering, Armoor

Batch:2021-2024

CGPA:8.88

Technical Skills

Programming Languages: C, Java, Python

Artificial Intelligence & Machine Learning: Machine Learning, Deep Learning, Natural Language Processing (NLP)

Tools & Platforms: Jupyter Notebook, Google Colab, VS Code, Git

Data Analysis Tools: Excel, Power BI

Projects

Heart Disease Predictor

Developed a machine learning model to predict the likelihood of heart disease based on health parameters. Utilized classification algorithms and evaluated model performance using metrics like accuracy, precision, and recall.

Certifications

New Mobile Price Predictor

Build a regression-based machine learning model to estimate the price of new mobile phones based on specifications like RAM, storage, and camera features. Preprocessed data and visualized insights using Python libraries.

Python Programming - RK Technology

Participation- Agentathon 2025

NPTEL: Data Analytics with Python

CAMPUS: Data visualization techniques using Tableau

Exploring and Deploying AI- From EDA to Generative and Agentic Systems

Internships / Trainings

Python Internship – RKG Technology, 6 months

Gained hands-on experience in Python programming, including data structures, file handling, and basic automation.

Achievements & Extra-curricular Activities

Presented Machine Learning projects at college-level events and seminars. Active member of the **Coding Club** and **AI Society** at Vardhaman College of Engineering, participating in coding challenges and tech discussions.
